

MEDWAY SECONDARY PARENT TEACHER ORGANIZATION 2018-2019 DONATION FORM

Dear Parent/Guardian:

Welcome to a new year of new activities, and new experiences! Your child is entering another stage of his/her life – secondary school (middle/high school).

The **Medway Secondary Parent Teacher Organization (MSPTO)** is a 501c3 parent volunteer organization, developed to help fund **all Medway students, parents and teachers** with resources, enrichment programs, appreciation events, grants for student clubs and much more - MSPTO supports Medway Public Schools' Strategic Plan by helping to foster growth, support our educators, leaders, and engage families in the process.

We pledge to never ask you to sell anything to friends and family (you're welcome)

In return, we ask one time for your annual support so MSPTO can continue to fund; parent and student enrichment programs, teacher appreciation luncheons, senior award night reception, senior pins, 8th grade reception, STEM Saturday for Girls (grades 2-8), school beautification, and prom buses.

MSPTO also helps coordinate the 6th grade Environmental Trip and the popular Ski Clubs at both schools.

We raise funds by simply asking for your annual donation - form below.

Special for **HS Seniors**: for \$25 enter to win the VIP parking spot right in front of the high school for one month. Eight winners are drawn on the 1st of each month, from October through May.

We need your help! Any gift of any size is important and appreciated.

Please support your MSPTO:
